Obama – The Postmodern Coup: Making of a Manchurian Candidate. Remember Bush's compassionate conservatism and humble foreign policy – and what happened next? Webster G. Tarpley reveals that the Obama puppet's advisors are even more radical reactionaries than the neo-cons. A crash course in political science, it distills decades of political insight and astute analysis, from a unique perspective. 320 pages, \$15.95.

Barack H. Obama: the Unauthorized Biography Tarpley at his best: erudite, witty, insightful, activist, iconoclastic. This complete profile of a puppet's progress details of Obama's doings in the trough of graft and corruption of the Chicago Combine. His regime will be one of brutal economic sacrifice and austerity to finance Wall Street bailouts, and for imperialist confrontation with Russia and China. Another blockbuster like Tarpley's Bush Bio. 595 pages, \$19.95.

The Nazi Hydra in America: Suppressed History of a Century exposes how US plutocrats launched Hitler, then recouped Nazi assets to lay the postwar foundations of a modern police state. Fascists won WWII because they ran both sides. "A valuable history of the relationship between big business in the United States and European fascism, before, during, and after the second World War. The story is shocking and sobering and deserves to be widely read." – Howard Zinn, author of *A People's History of the United States*. Includes a blow-by-blow account of the fascist takeover of US media. 700 pp., \$19.95.

Corporatism: the Secret Government of the New World Order by Prof. Jeffrey Grupp of Purdue University. Corporations control all basic resources of the world, all the governments and institutions, and prevent us from solving humanity's problems. Their New World Order plan is the global "prison planet" that Hitler was aiming for. 408 pages, \$16.95.

Seeds of Destruction: The Hidden Agenda of Genetic Manipulation. A tiny corporate elite is out for complete control over the world by patenting the basis of survival: food. F. Wm. Engdahl takes us inside the corridors of power, corporate boardrooms and backrooms of science labs, to reveal a diabolical world of greed, intrigue, corruption and coercion. Reads as a crime story because it is. A hugely important – and unique – work. By the author of *A Century of War*, published by M. Chossudovsky's Global Research. 340 pages, \$24.95

Skulk! a Post-9/11 Comic Novel by Marc Estrin. A racy parody of political surreality with a stunning ending – and a truth tool for every activist toolbox. 180 pp, 14.95

Cruel Hoax: Feminism and the New World Order. The Attack on Your Human Identity. Contemporary Canadian political philosopher Henry Makow PhD shares unusual insights on social and sexual aspects of the conspiracy to enslave humanity. 232 pages, \$19.95.

In **Illuminati: Cult that Hijacked the World**, the Canadian Jewish writer Henry Makow tackles more taboos like Zionism and British Imperialism, and even Holocaust denial, as he relates how international bankers stole a monopoly on government credit, and took over the world. They run the wars, schools, media, the works. 249 pages, \$19.95.
